Re: Request for Class C Native Wine Permit
Concert on the Prairie – June 7, 2019

The Friends of Neal Smith National Wildlife Refuge is a 501(c)3 non-profit organization established in 1993. The Friends promote public awareness of the refuge and provide support for the many Refuge events and programs offered to the public.

On June 7, 2019 we are having a special event at the Refuge, *Concert on the Prairie* – which will include an outdoor concert by The Host Country, Americana band, an exhibit of nature art (prints & photographs), guided nature walks and dinner. As part of the dinner, we will offer wine from an Iowa winery. We are still narrowing down which winery. But we will be purchasing the wine from just one winery.

The Refuge has given approval for us to have the event at the Visitors Center on the Refuge. As this is a fundraising effort for the Friends, we do charge for people to attend, with all profits being used in our support of Refuge projects. We estimate attendance of 100-140, dinner serving begins at 5:00, and the concert begins at 7:00, with the event ending at approximately 8:30.

Please let me know if you need any additional information.

Thank you for your consideration.

JASPER COUNTY BOARD OF SUPERVISORS

Resolution #19-_____

A RESOLUTION OPPOSING SENATE STUDY BILL 1045 AND SENATE FILE 184 PASSED BY THE SENATE COMMITTEE ON TRANSPORTATION

WHEREAS, the Transportation Committee in the Iowa Senate has passed House Study Bill 1045 (SF 184) which would amend and make changes to Iowa Code Chapter 321 related to transportation of indivisible loads and raw forestry products on primary and non-primary highways, and;

WHEREAS, Jasper County owns and maintains nonprimary highways, and is fiscally and legally responsible for the nonprimary highways within the County, and;

WHEREAS, Jasper County owns and maintains 298 structures classified as bridges by the National Bridge Inspection Standards, and;

WHEREAS, many of the bridges owned by Jasper County are aging and structurally deficient or functionally obsolete, and;

WHEREAS, current funding is not adequate to replace or rehabilitate these bridges at the rate their conditions are deteriorating, and;

WHEREAS, the nonprimary roads and bridges owned by Jasper County serve a critical need for residents, agricultural users, businesses, schools, post offices, and emergency responders, and;

WHEREAS, the proposed bill would allow the Iowa Department of Transportation to issue annual permits to forestry industry haulers for loads up to 130,000 pounds on nonprimary highways throughout Iowa, without knowledge of or notice given to the agencies which own these highways and the structures thereon, and;

WHEREAS, bridges within Jasper County have been designed for loads that were legal on Iowa roads at the time of their construction, and bridges have only been rated or posted with weight restrictions for loads that are currently legal on roads, and;

WHEREAS, each bridge within Jasper County is unique based on its age, design, and current condition, and;

WHEREAS, load rating to ensure safe passage of loads greater than 80,000 pounds would be unique for each load on each individual bridge, and;

WHEREAS, the traversing of Jasper County bridges by loads up to 130,000 pounds without the County being afforded the knowledge of or the ability to restrict each occurrence, would result in gradual and possibly sudden failure of bridges within the County, and;

WHEREAS, Jasper County would likely bear legal and financial liability for subsequent failure of its bridges, even if such failures are caused by loads they did not permit, and;

WHEREAS, Jasper County is not financially able to repair or replace bridges which would be subject to accelerated deterioration by increased loads, and;

WHEREAS, Jasper County and its residents, farmers, businesses, schools, post offices, and emergency responders, would be subjected to undue operational and economic hardships by further degradation of its road system and the structures thereon;

THEREFORE BE IT RESOLVED, that the Jasper County Board of Supervisors strongly urges all

Iowa lawmakers to vote in opposition to this legislation.

Resolved this 26th day of March, 2019.
