**Greetings from Jasper County Elderly Nutrition**

We hope everyone is having a wonderful fall. As the weather becomes colder, please keep in mind that if the Newton School District closes due to weather, we will be closed too. Listen to KCOB radio (1280 AM) for confirmation. Please make sure that your driveways and sidewalks are clear of ice, snow & other safety hazards. The safety of our staff and volunteers is very important. If there is a concern with your driveway, sidewalk or street/road, we may not be able to deliver to you until it is cleared.

Client evaluation forms are being sent out with this newsletter/menu. Please return it by Nov. 4 We are in need of testimonials as to how our meals are helping you remain independent and stay in your home. If you would like to share with us, please write something down at the bottom of the evaluation. The forms can be returned to your driver.
