**Happy New Year from  
Jasper County Elderly Nutrition!**

**HAPPY NEW YEAR**

We hope this New Year is less eventful and allows us to get back to normal. 2020 was a very interesting, challenging year! Thank you for your patience and understanding as we have had to do things differently.

If the weather is unsafe to drive in, we will close. We are in the process of working with Emergency Management to develop an automated telephone message that you will receive if we need to close for whatever reason. Please keep in mind that with anything new, there are likely to be glitches so please be patient with us. We will still continue to follow what the Newton Schools do but because of Covid and their on-line learning at times, this may be difficult. We will continue to notify KCOB (1280 AM/95.9 FM) radio of any closure. When this system is in place, we will notify you by sending out a test alert.

If you need to cancel, please try to do so a day in advance or no later than 10 AM the day of, by calling 641-792-7102. You must be home to receive your meals or call to make arrangements. Failure to communicate with our office may result in termination of services.

If you are able to donate for the meals you receive, please remember that donations need to be mailed to our office, not given to the drivers. Drivers have self addressed envelopes you receive with your donation letter each month. Your cooperation is a great help to us.
