**HAPPY NEW YEAR**

We hope this New Year is less eventful and allows us to finally get back to normal, although it is looking doubtful. 2021 was another very interesting, challenging year! Thank you for your patience and understanding as we have had to continue to do things a little differently.

If the weather is unsafe to drive in, we will close. We have worked with Emergency Management to develop an automated telephone message that you will receive if we need to close for whatever reason. However, we have found that not everyone received the call on December 28 when we closed due to the ice. We will still continue to follow what the Newton Schools do when school is scheduled to be in session. We will continue to notify KCOB (1280 AM/95.9 FM) radio of any closure.

If you need to cancel, please try to do so a day in advance or no later than 9:30 AM the day of, if possible, by calling 641-792-7102. You must be home to receive your meals or call to make arrangements. Failure to communicate with our office may result in termination of services.

If you are able to donate for the meals you receive, please remember that donations need to be mailed to our office, not given to the drivers. Your donation letter comes with a self addressed envelope. If you should need another, ask your delivery driver. Your cooperation is a great help to us.
